Ingestro End User License Terms

1. General | Scope

- 1.1 These Ingestro End User License Terms ("**Terms**") apply to all contracts between ComDocks GmbH, Grimm 12, 20457 Hamburg, Germany ("**Ingestro**") and its customers who are business owners and not consumers ("**Customers**") to whom Ingestro provides access to its Services.
- 1.2 These Terms shall govern each ordering document or any online, email or in-app ordering process that references these Terms (each an "**Order**"). The terms of each Order shall incorporate these Terms and shall form a separate services contract with respect to the Services (as defined below) under that Order (a "**Services Contract**").
- 1.3 These Terms shall also apply as a framework for future contracts between Ingestro and Customer even if Ingestro does not refer to them in each individual case. These Terms shall be deemed to be confirmed by Customer at the latest when Customer or the first User uses the Services.
- 1.4 These Terms apply to the exclusion of all others. Different, conflicting or supplementary standard terms shall only become part of a Services Contract if and to the extent that Ingestro has consented to such terms in writing.
- 1.5 Individual agreements made in writing with Customer in specific cases (including ancillary agreements, supplementary agreements and amendments) shall take priority over these Terms.
- 1.6 Where these Terms mention the terms 'written', 'in writing', 'written form' or similar, this shall refer to 'in writing' in the sense of § 126 German Civil Code. The electronic exchange of copies of documents signed by hand as well as documents signed with a simple electronic signature (such as provided by e.g. DocuSign) shall be sufficient therefor. Unless expressly stated otherwise in these Terms, simple emails shall not be sufficient.
- 1.7 Unless stated otherwise in these Terms, any notices and declarations submitted by Customer to Ingestro, including but not limited to notices of termination or setting of deadlines, shall be made at least in text form within the meaning of § 126b of the German Civil Code to be valid (simple email shall be sufficient).

2. License Grant | Permitted Users | Updates

- 2.1 Subject to the terms and conditions of the Services Contract, Ingestro grants to Customer, during the Initial Service Term and any Renewal Service Term, a non-exclusive, non-transferable, non-sublicensable worldwide right and license to use the Ingestro software (which may be offered as on-premise software or software as a service) including any related websites, spaces, services and applications as designated in the Order (collectively the "**Services**") for Customer's internal business purposes only ("**License**"). The Services are offered as described in the Services documentation, as updated from time to time, and located at an URL further specified by Ingestro or attached as an exhibit to the Order ("**Documentation**").
- 2.2 Customer shall not permit any third parties to use the Services through the Customer account ("**Users**") unless they qualify as Customer's employees, outsourcing service providers, consultants or contractors, and always provided that (A) Customer has obtained a License for each such permitted User; (B) Customer procures that such permitted Users comply with these Terms and Customer remains responsible and liable towards Ingestro for all acts and omissions of such permitted Users; and (C) the Services are used by such permitted Users solely for the benefit of Customer.
- 2.3 Ingestro may implement new versions and upgrades of the Services including, but not limited to, changes that effect modifications to the design, operational method, technical specifications, systems, and other functions, etc. of the Services, at any time without prior notice.

In particular, Customer shall comply with the sanctions imposed by the Federal Republic of Germany, the European Union, the United Nations and the United States of America, in each case, insofar as this does not result in a violation of or a conflict with mandatory anti-boycott statutes applicable to Customer. Customer shall, at its own expense, obtain all necessary customs, import, or other governmental authorizations and approvals.
- 3.4 The Services may be subject to export and/or re-export control laws and regulations of the European Union, the United States, or to similar laws applicable in other jurisdictions. - 11.8 Customer may only invoke a right to set-off and assert a right of retention to the extent that its claims have been (A) finally established by a court of law; (B) are uncontested; or (C) have been acknowledged by Ingestro in writing.

12. Term | Termination

- 12.1 Subject to earlier termination as provided below, the Services Contract begins on the date specified in the Order ("**Effective Date**") and shall remain in effect for an initial term as specified in the Order ("**Initial Service Term**"). The Initial Service Term shall automatically and continually renew for additional periods, each of which corresponds with the Initial Service Term ("**Renewal Service Term**"), unless either party requests termination of the Services Contract within a notice period as specified in the Order Form.
- 12.2 Neither Customer nor Ingestro may terminate the Services Contract for convenience with effect prior to the end of the Initial Service Term or any Renewal Service Term (*Ausschluss der ordentlichen Kündigung*). Customer's and Ingestro's right to immediately terminate the Services Contract for good cause (*außerordentliche Kündigung aus wichtigem Grund*) shall remain unaffected. Such good cause shall in particular exist for both parties, if a party commits a material breach of the Services Contract, and such breach has not been cured within thirty (30) days after receipt of written notice thereof (simple email shall be sufficient). Such good cause shall also exist for Ingestro if (A) Customer is in default of payment by more than forty-five (45) days; (B) Customer breaches the use restrictions under Clause 3; or (C) Customer ceases its due payments or suffers a significant deterioration in its asset situation.

Customer shall be solely responsible for extracting all such Customer Data before any suspension. Upon Customer's request, Ingestro may choose to extract and/or modify Customer Data against an additional Service Fee.

13. Limited Warranty

- 13.1 Customer has checked that the specification of the Services as described in the Documentation meets its needs and wishes. Customer is aware of the essential functionalities and features of the Services. The extent, nature

and quality of the goods and services to be delivered by Ingestro are determined by these Terms, the Order, and the Documentation. Any other information or requirements do only form part of the Services Contract if Customer and Ingestro so agree in writing. Product descriptions, illustrations, test programs, etc. represent mere service specifications but do not constitute guarantees (*Garantien*) or agreements on certain specifications (*Beschaffensvereinbarungen*). In order to be valid, an agreement on a guarantee must be confirmed by a director of Ingestro in writing.

- 13.2 Ingestro warrants (*gewährleistet*) that the Services will, in all material respects, conform to the functionality described in the then current Documentation for the applicable Services version. In case of a breach of this warranty Ingestro shall be required to use commercially reasonable efforts to modify the Services to conform in all material respects to the Documentation, and if Ingestro is unable to materially restore such functionality within thirty (30) days from the date of written notice of said breach, Customer shall be entitled to terminate the Services Contract upon written notice and receive a pro-rata refund of the unused Service Fees which have been paid in advance (if any) for unused access to the Services. Customer shall notify Ingestro in writing of any warranty breaches and Customer must have installed and configured the Services in accordance with the Documentation to be eligible for the foregoing remedy. Any no-fault liability (*verschuldensunabhängige Haftung*) of Ingestro for the existence of initial errors (*anfängliche Mängel*) under § 536a German Civil Code shall be excluded. Customer's claims for damages for a breach of this warranty are subject to the limitations set forth in Clause 15.

- 13.3 Customer may not obtain the source code of the Services for any reason.

14. Third-Party Claims

- 14.1 Ingestro shall, at its expense, defend Customer against (or, at Ingestro's option, settle) any third-party claim to the extent such claim alleges that the Services infringe or misappropriate any patent, copyright, trademark, other intellectual property right or trade secret of a third party ("**Third-Party Claim**"), and Ingestro shall pay all costs and damages finally awarded against Customer by a court of competent jurisdiction as a result of any Third-Party Claim. In the event that the use of the Services is, or in Ingestro's sole opinion is likely to become, subject a Third Party Claim, Ingestro, at its option and expense, may (A) replace the applicable Services with functionally equivalent non-infringing services; (B) obtain a license for Customer's continued use of the applicable Service; or (C) immediately terminate the Services Contract in whole or in part and provide a pro-rata refund of the Service Fees that have been paid in advance for the applicable Services (beginning on the effective date of termination).
- 14.2 Clause 14.1 shall not apply: (i) if the Services are modified by Customer or any User; (ii) if the Services are combined with other non-Ingestro products, applications, or processes, but solely to the extent the alleged infringement is caused by such combination; or (iii) in the event of any unauthorized use of the Services.
- 14.3 Clause 14.1 shall be Customer's sole remedy with respect to any Third-Party Claim.

15. Limitation Of Liability

- 15.1 Ingestro shall be unrestrictedly liable for (A) injury to life, body or health caused by Ingestro, its legal representatives (*gesetzliche Vertreter*) or assistants in performance (*Erfüllungsgehilfen*); (B) damage caused intentionally (*vorsätzlich*) or with gross negligence (*grob fahrlässig*) by Ingestro or its legal representatives; (C) damage caused intentionally by Ingestro's assistants in performance not mentioned in (B); (D) damage resulting from the absence of any guaranteed (*garantiert*) characteristics; and (E) claims under the German Product Liability Act (*Produkthaftungsgesetz*).
- 15.2 Ingestro shall be liable for damage resulting from the breach of its primary obligations (*Kardinalpflichten*) hereunder by Ingestro, its legal representatives, or assistants in performance. Primary obligations are such basic duties that form the essence of the Services Contract, which were decisive for the conclusion of the Services Contract and on the performance of which Customer may rely. If the breach of such primary obligation was caused (A) through simple negligence by Ingestro, its legal representatives or executive staff; or (B) through simple or gross negligence by Ingestro's assistants in performance not mentioned in (A), then Ingestro's ensuing liability shall be limited to the amount which was foreseeable by Ingestro at the time the respective Service was performed.

- 15.3 Subject always to Clauses 15.1 and 15.2, Ingestro shall not be liable for damage resulting from the breach of non-primary obligations through (A) simple negligence of Ingestro, its legal representatives or executive staff; or (B) simple or gross negligence of Ingestro's assistants in performance not mentioned in (A).
- 15.4 Ingestro shall be liable for loss of data only up to the amount of typical recovery costs which would have arisen had proper and regular data backup measures been taken by Customer.
- 15.5 Subject always to Clause 15.1, the total liability of Ingestro arising out of or in connection with the Services Contract, whether in contract or tort or otherwise shall in no circumstances exceed a sum equal to 150% of the total Service Fees paid (plus Service Fees payable) by Customer in the twelve (12) months immediately preceding the event which gave rise to the liability.
- 15.6 Neither Ingestro nor Customer shall be liable for any failure or delay in performance to the extent that such failure or delay is caused by force majeure, i.e., causes beyond their reasonable control and occurring without their fault or negligence.
- 15.7 Any more extensive liability of Ingestro not covered by this Clause 15 is excluded on the merits.

16. Assignment | Novation

- 16.1 Customer may not assign (*übertragen*) the Services Contract without the prior written approval of Ingestro and any purported assignment in breach of this Clause 16 shall be void. Ingestro may at its discretion assign, or transfer to third parties the Services Contract and/or any rights pertaining thereto in whole or in part.
- 16.2 Customer shall, at Ingestro's request, promptly, and in any event within fifteen (15) days, enter into a novation agreement in such form as Ingestro shall reasonably specify in order to enable Ingestro to exercise its rights pursuant to this Clause 16.
- 16.3 Without prejudice to mandatory applicable law, Customer shall not assign any of its rights or obligations under any Services Contract and these Terms to any third party without the prior written consent of Ingestro.

17. Severability

Should any provision of the Services Contract including the Order and these Terms be or become ineffective or invalid in whole or in part, the effectiveness and validity of the other provisions shall not be affected. Such ineffective or invalid provision shall be replaced by a provision that comes as close as legally possible to what Ingestro and Customer would have agreed, pursuant to the meaning and purpose of the original provision and of the Services Contract if they had recognized the ineffectiveness or invalidity of the original provision. If the ineffectiveness or invalidity of a provision is based on the determination of a certain level of performance or a certain time (deadline or fixed date), such ineffective or invalid level or time shall be replaced by the level or time which comes as close as legally possible to the original level or time. The foregoing shall also apply to any possible omission in the Services Contract including the Order and these Terms that was not intended by Ingestro and Customer.

18. Entire Agreement | Revisions

- 18.1 The Services Contract including the Order and these Terms shall represent the entire agreement between Customer and Ingestro in respect of its subject matter and supersede and extinguish all prior negotiations, arrangements, understanding, course of dealings or agreements made between the Parties in relation to its subject matter, whether written or oral.
- 18.2 Without prejudice to Clause 18.3, valid amendments or supplements to these Terms must be made in writing. The same shall apply to any agreement to deviate from or cancel this requirement of written form.
- 18.3 Ingestro may amend and/or update these Terms for existing Services Contracts with future effect from time to time and as necessary for technical, economic or legal reasons provided that this would neither constitute a change affecting the basis of the legal relationship between Ingestro and Customer nor is equivalent to the conclusion of a new contract. Any revision of these Terms shall be announced to Customer in text form (simple email shall be sufficient) no later than six (6) weeks before their proposed effective date. Customer may either approve or object to the revision before their proposed effective date. The revision shall be deemed approved by Customer, unless Customer objects to the revision before their proposed effective date. Ingestro shall expressly

inform Customer thereof in the respective announcement. Ingestro may amend and/or update these Terms for future Services Contracts at any time for any reason without notice.

19. Governing Law | Jurisdiction

- 19.1 The Services Contract and any issues, disputes or claims (whether contractual or non-contractual) arising out of or in connection with it or its subject matter or formation shall be governed by the laws of the Federal Republic of Germany excluding its conflict of laws provisions. The United Nations Convention on Contracts for the International Sale of Goods (CISG) shall not apply.
- 19.2 The courts of Hamburg (Germany) shall have exclusive jurisdiction to settle any dispute or claim (whether contractual or non-contractual) that arises out of or in connection with the Services Contract or its subject matter or formation.

20. Miscellaneous

- 20.1 The person signing or otherwise accepting the Order and these Terms for Customer represents that it is duly authorized to enter the Services Contract on behalf of Customer.
- 20.2 Ingestro shall be entitled to retain subcontractors, including third party software suppliers, for the performance of any of its obligations in accordance with the Services Contract.
